## Message from Rector

It is indeed a matter a great pleasure and happiness to note that the participants of the 75th Senior Staff Course (SSC) are going to publish a souvenir with a view to cementing the friendship and bondage initiated during the course. I would like to take this opportunity to extend my warm felicitations to the souvenir publishing committee for their commendable effort to make this publication a success.

The Senior Staff Course (SSC) provided the participants with a unique opportunity to bring all the experiences and expertise from their respective departments and share those with each other. They also got the chance to exercise their skills on policy making using various policy analysis tools during the course. Apart from this they also participated in physical exercise, games and extra-curricular activities which fermented the lasting bonding among them.

It is my firm belief the participants enriched with the knowledge and skills from this course will be able to render improved service to their stakeholders. My expectation would be that the participants will reflect the theme of this course "Repent for Own Faults and appreciate Other's Endowment" in their workplace and discharge their duties with highest standard of honesty, professionalism and diligence.

I wish all the participants of the 75th Senior Staff Course (SSC) prosperity and success in their professional and personal life.

Mr. A.L.M. Abdur Rahman ndc  
Rector

## Message from Course Director

It is indeed a matter of immense joy for me to note that the participants of the 75th Senior Staff Course (SSC) is going to publish a souvenir on the eve of their departure from Bangladesh Public Administration Training Centre (BPATC). Despite tremendous pressure from their various training programs and tight schedule, publication of this souvenir epitomizes their commitment for retaining the sweet memories of their stay at BPATC.

Senior Staff Course is one of the prestigious courses for senior level government officials of Bangladesh in order to enhance their capability for undertaking higher responsibilities in professional life. The course is aimed to augment the management skills of the participants and also to instill the true sense of patriotism, dedication, commitment and responsiveness in them. Moreover, it provides the participants a unique opportunity to have access to contemporary thinking, exchange of ideas and gain insights from a diverse range of peers.

The participants had been very diligent and devoted to their training. It would like to take this opportunity to thank all of them for their kind cooperation and support in running the course smoothly. Their effort in making the course lively and participatory is really commendable. I firmly believe that the participants will upload this spirit in their professional and personal life to bring positive changes for our beloved motherland "Bangladesh".

I wish them success in their professional and personal life.

Md. Mahmudul Hassan, Ph.D  
Course Director

## Note from the Editor

Twenty Nine brilliant Officers , 25 from Bangladesh Civil Service and 4 from Bangladesh Armed forces reached BPATC before 3 PM on 6 February 2016. The BPATC centre of excellence was ready to welcome us with its mesmerizing full bloom roses, Bougainvilleas, Dahlias, Chrysanthemums and beautiful solemnity of numerous flowers along with highly attractive multicolored Orchids. We got the appearing essence of king of season Spring throughout the Centre. Fragrance of flowers chirping of birds, sweet song of Cuckoos along with smiling face of the CMT members made our arrival delightful and memorable.

The 75th Senior Staff Course was well designed and well articulated with a view to providing the in depth knowledge to the officers regarding dynamics of socio-cultural, politico-economic and natural environment of Bangladesh so that they can contribute more effectively in formulating pragmatics policies, strategies, plans and programmes to build a developed and prosperous Bangladesh free from all sorts of exploitation and injustice. We tried our best to achieve the objectives of the course through our active participation in the course modules.

We were in dream during our 45 days. We did not care the heavily burdened numerous assignments. We enjoyed physical exercise in the morning under the guidance of humorous personality of Dr. Rafi and his team enjoyed our own cultural programmes, cultural programmes and dinner nights of ACAD courses. We were vibrant in the sports and games. There was a touch of life in the every events. The sweet memories and strong bondage of friendship of our days will never be lost with the passage of time. It will remain cherished for ever in the hearts of all participants. This Souvenir "Unnayan Shaho Jatri-29" is small but worthy effort to cement this friendship further.

I would like to express my heartiest thanks and sincere gratitude to respected Rector, Faculty members and Course Management Team for their tremendous support and cooperation throughout the course. I also take the opportunity to offer my sincere thanks to Course Director Md. Mahmudul Hassan, Ph.D, MDS, the course Coordinators Dr. Shah Alam, Director (P&D), Mohammad Moshior Rahman, Director (P &E) and all the officers and staffs for ntheir personal involvement and cooperation in this regards. I would also like convey my gratitude and sincere appreciations to fellow participants for their all out cooperation and contributions for publishing this souvenir.

With the reference of the theme of this course " Repent for Own Faults and appreciate Other's Endowment" I wish a happy, healthy and prosperous life for all the distinguished participants and their family members.
